# Medica member account

Use your one-stop health plan resource

Member support is just a click away. You'll find answers, claims tracking, and everything in-between. And getting plan information is easy — it's all in your account online or in the app.

With your member account, you can:

- Download or print your ID card
- Find in-network doctors, clinics, and pharmacies
- Track your medical claims and prescription drugs
- See what your plan covers and find out your share of the costs for procedures and prescriptions
- Explore wellness programs and behavioral health resources
- Find documents and forms easily

Create or access your account now to enjoy these benefits. You can do it three ways: Scan the QR code, go to **Medica.com/SignIn**, or search for the "Medica Member" app in the App Store and Google Play store.

Have questions? We're here to help.

Call Member Services at the number on the back of your Medica ID card (TTY: **711**) or find answers to commonly asked questions in your member account at **Medica.com/SignIn**.
