Important Information – Please Read Before Using This Policy

These services may or may not be covered by all Medica plans. Please refer to the member’s plan document for specific coverage information. If there is a difference between this general information and the member’s plan document, the member’s plan document will be used to determine coverage. With respect to Medicare and Minnesota Health Care Programs, this policy will apply unless those programs require different coverage. Members may contact Medica Customer Service at the phone number listed on their member identification card to discuss their benefits more specifically. Providers with questions about this Medica coverage policy may call the Medica Provider Service Center toll-free at 1-800-458-5512.

Medica coverage policies are not medical advice. Members should consult with appropriate health care providers to obtain needed medical advice, care and treatment.

Coverage Policy

Virtual care is COVERED when used to address non-urgent medical symptoms for new or ongoing symptoms to which providers respond with substantive medical advice.

Virtual care is NOT COVERED for:

1. Provider initiated email
2. Appointment scheduling
3. Refilling or renewing existing prescriptions without substantial change in clinical situation
4. Scheduling diagnostic tests
5. Reporting test results
6. Updating patient information
7. Providing educational materials
8. Brief follow-up of a medical procedure to confirm stability of the patient’s condition without indication of complication or new condition including, but not limited to, routine global surgical follow-up
9. Brief discussion to confirm stability of the patient’s chronic condition without change in current treatment
10. When information is exchanged and the patient is subsequently asked to come in for an office visit
11. A service that would similarly not be charged for in a regular office visit
12. Reminders of scheduled office visits
13. Requests for a referral
14. Consultative message exchanges with an individual who is seen in the provider’s office immediately afterward
15. Clarification of simple instructions or issues from a previous visit
