Your advocate can help you find doctors, estimate costs, and make informed health care decisions. This is a no-additional-cost, confidential service.

24/7 NurseLine

Get no-cost, 24/7 answers for non-urgent care questions. Nurses will help answer questions about symptoms, medications, and health conditions, and offer self-care tips. They can even help you find the best location for accessing care.

Online health program with reward opportunities

You'll get access to programs to motivate and support a healthy lifestyle at no additional cost. Stay active, eat healthy, manage stress, and find direction for your life. And the more you participate, the more chances you have to earn prizes in reward drawings.

On-demand help for stress, anxiety, and depression

Get access to clinically proven techniques based on cognitive behavioral therapy for dealing with stress, anxiety, depression, or whatever else you may be going through. As a Medica member, you get access to AbleTo at no additional cost.

AbleTo also offers a coaching tool that allows you to message with a supportive behavioral health coach and try live, anonymous classes. There's an additional cost for coaching that isn't covered under your Medica plan. To learn more or to add the service, tap on the "Coaching" tile in the AbleTo app.

What else you need to know

Eligibility and requirements

To qualify for a Medica plan, you must be a resident of Arizona, and not enrolled in Medicare. You also must live within your selected network's service area to enroll in and remain in the plan.

Understanding benefits and coverage details

This brochure is a brief overview of the plans. This document is not an invitation to apply or contract for insurance and is only intended to provide basic information about insurance that may be available. For costs and further details of the coverage, including exclusions, any reductions or limitations, and the terms under which the policy may be continued in force, see your agent, visit [Medica.com/ShopPlans-AZ](https://www.medicaz.com/ShopPlans-AZ), or you can get a paper copy by calling **1 (855) 349-8533** (TTY: **711**).

Prior approvals and excluded services

Some services and procedures require prior approval from Medica before they are covered. Services not covered include, but are not limited to, custodial care, adult eyewear, most dental services, cosmetic services, refractive eye surgery, those received while on military duty, and services that are investigational or not medically necessary. For a complete list, see a Medica Individual and Family insurance policy available on [Medica.com/ShopPlans-AZ](https://www.medicaz.com/ShopPlans-AZ) or call **1 (855) 349-8533** (TTY: **711**).

Pediatric dental is not covered

These policies do not include pediatric dental services. Pediatric dental is an essential health benefit that can be purchased as a standalone product through the Marketplace. For more information, visit [healthcare.gov](https://www.healthcare.gov).

Member complex case management

We have services and programs designed to help members with certain health conditions manage their overall care and treatment. Find more information about the programs and services available by visiting [Medica.com/ShopPlans-AZ](https://www.medicaz.com/ShopPlans-AZ).

Deductible and out-of-pocket maximum details

The deductible and out-of-pocket maximum are subject to a "cost of living" increase on a yearly basis. This increase is tied to the Consumer Price Index and/or may result from adjustments needed to keep plans within the range for a given metal level; metal levels (e.g., Gold, Silver, Bronze) must always be in compliance with the Affordable Care Act (ACA) for Qualified Health Plans (QHPs).

Cost Share Reduction plans

You may be able to get help paying your health insurance premium or qualify for plans with reduced deductibles and copays. Plans with reduced deductibles and copays are called Cost Share Reduction (CSR) plans. You can get this assistance if you get health insurance through [healthcare.gov](https://www.healthcare.gov), your income is below a certain level, and you choose a health plan from the Silver plan category. If you're a member of a federally recognized tribe, you may qualify for additional cost-sharing benefits. To see if you're eligible, please visit [healthcare.gov](https://www.healthcare.gov).

Receiving care outside your network

Unless it's an emergency, air ambulance service, or certain out-of-network care at an in-network facility or pre-approved by Medica, there is no coverage if you visit a provider that is not in your plan's network. This means that your provider may require you to be responsible for the full cost of any care or supplies. Learn more at [Medica.com/BalanceBill](https://www.medicaz.com/BalanceBill).
