2024 Network details

A **network** is made up of the **doctors, hospitals, clinics, and pharmacies** that we work with. Your benefits will apply to in-network providers. See “Receiving care outside your network” on the “What else you need to know” page to learn more about your out-of-network coverage.

Choosing your plan’s network

A smaller network will **save you the most** on your premium. With a smaller network, you’ll have fewer doctors and hospitals to choose from. We’ve partnered with health systems we trust to give you care at a lower cost.

What else you need to know

Eligibility and requirements

To qualify for a Medica plan, you must be a resident of Illinois, and not enrolled in Medicare. You also must live within WellFirst by Medica's service area to enroll in and remain in the plan.

Understanding benefits and coverage details

This brochure is a brief overview of the plans. This document is not an invitation to apply or contract for insurance and is only intended to provide basic information about insurance that may be available. For costs and further details of the coverage, including exclusions, any reductions or limitations, and the terms under which the policy may be continued in force, see your agent, visit [Medica.com/ShopPlans-IL](https://www.medicacom/shopplans-il), or you can get a paper copy by calling **1 (800) 918-2397** (TTY: **711**).

Prior approvals and excluded services

Some services and procedures require prior approval from Medica before they are covered. Services not covered include, but are not limited to, custodial care, adult eyewear, most dental services, cosmetic services, refractive eye surgery, those received while on military duty, and services that are investigational or not medically necessary. For a complete list, see a Medica Individual and Family insurance policy available on [Medica.com/ShopPlans-IL](https://www.medicacom/shopplans-il) or call **1 (800) 918-2397** (TTY: **711**).

Pediatric dental is not covered

These policies do not include pediatric dental services. Pediatric dental is an essential health benefit that can be purchased as a standalone product through the Marketplace. For more information, visit [healthcare.gov](https://www.healthcare.gov).

Member complex case management

We have services and programs designed to help members with certain health conditions manage their overall care and treatment. Find more information about the programs and services available by visiting [Medica.com/ShopPlans-IL](https://www.medicacom/shopplans-il).

Health Savings Account

The Silver HSA and Bronze HSA plans can be paired with a health savings account (HSA) – which is a special savings account for IRS-approved medical expenses. Generally, Cost Share Reduction (CSR) plans cannot be paired with an HSA. Learn more about the benefits of an HSA or how to open an account by visiting [Medica.com/HSA](https://www.medicacom/hsa).

Deductible and out-of-pocket maximum details

The deductible and out-of-pocket maximum are subject to a “cost of living” increase on a yearly basis. This increase is tied to the Consumer Price Index and/or may result from adjustments needed to keep plans within the range for a given metal level; metal levels (e.g., Gold, Silver, Bronze) must always be in compliance with the Affordable Care Act (ACA) for Qualified Health Plans (QHPs).

Cost Share Reduction plans

You may be able to get help paying your health insurance premium or qualify for plans with reduced deductibles and copays. Plans with reduced deductibles and copays are called Cost Share Reduction (CSR) plans. You can get this assistance if you get health insurance through [healthcare.gov](https://www.healthcare.gov), your income is below a certain level, and you choose a health plan from the Silver plan category. Reduced cost sharing is not available with a Catastrophic plan. If you're a member of a federally recognized tribe, you may qualify for additional cost-sharing benefits. To see if you're eligible, please visit [healthcare.gov](https://www.healthcare.gov).

Receiving care outside your network

Unless it's an emergency, air ambulance service, or certain out-of-network care at an in-network facility or pre-approved by Medica, there is no coverage if you visit a provider that is not in your plan's network. This means that your provider may require you to be responsible for the full cost of any care or supplies. Learn more at [Medica.com/BalanceBill](https://www.medicacom/balancebill).

you're cared for.®**
